

# ARIZONA DEPARTMENT OF HEALTH SERVICES

Bureau of Radiation Control  
4814 South 40th Street, Phoenix, AZ 85040

## Stakeholder Meeting Minutes

October 21, 2020 at 10:00am  
via Google Meet

The Bureau held a Radiation Roundtable meeting for our stakeholders in order to provide updates which included the impact of COVID-19, trends, projections, staffing, among others. The meeting concluded with a question and answer session. Provided below are the agenda, presentation slides, and a recording of the meeting. We encourage all who were unable to attend the live event to review one or all of the references below.

- [Recording of Meeting](#)

If you have any further questions or would like clarification on any discussion items covered, please feel free to reach out to our office and we would be happy to answer or expand on your questions or concerns. Provided below are the best points of contact for each program.

Lastly, we would like to extend our appreciation to each of you who are dedicated to maintaining radiation safety and are committed to regulation compliance.
